

New Cost Share Program Available!

Soil Health Practices Grant (RCPP)

This grant is intended to provide a financial and technical support program to produce soil health practices that achieve water quality, soil productivity, climate change resiliency, or carbon sequestration benefits. This Soil Health Practice Grant is a partnership through the Natural Resource Conservation Service's Regional Conservation Partnership Program. The intent of this grant opportunity is to enhance the adoption of cover crops and other soil health practices

WHAT PRACTICES ARE OFFERED

- Conservation Cover
- Cover Crops
- Critical Area Planting
- Pasture and Hay Planting
- Residue and Tillage Management (No-till and Strip Till)
- Windbreak/Shelterbelt Establishment
